

NDIP11 Abstract Submission: HOW TO

Dear Colleagues

The Conference Abstract Submission is managed via the  [CDS Indico](#).
 In order to submit you abstract you have to:

- READ THIS NOTICE UP TO THE END (point 5)

1. Reach the [NDIP11 Indico](#) page

The screenshot shows the Indico page for NDIP2011. At the top, there is a banner with the NDIP logo and the text "NDIP2011 : 6th International Conference on New Developments In Photodetection" and "4-8 July 2011 Lyon, FRANCE". Below the banner, a blue bar states "The call for abstracts is open ...". On the left, there is an "Overview" panel with a "Call for Abstracts" section containing links for "View my abstracts" and "Submit a new abstract". A "Support" link is also present. On the right, a paragraph describes the conference's focus on photodetection techniques. Below this, the dates, time zone, and location are listed.

Overview

Call for Abstracts

- View my abstracts
- Submit a new abstract

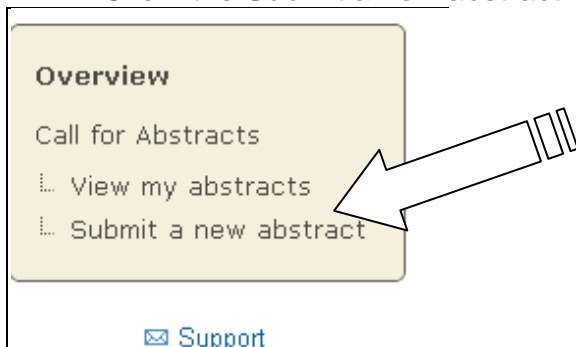

[Support](#)

Dates: from 04 July 2011 08:00 to 08 July 2011 16:00

Timezone: Europe/Paris

Location: Lyon, FRANCE.
[Cité Internationale](#)
 Palais des congrès.

2. Click "the Submit a new abstract" in the overview panel (upper-left)

This is a close-up of the "Overview" panel from the previous screenshot. It shows the "Call for Abstracts" section with the links "View my abstracts" and "Submit a new abstract". A large white arrow points to the "Submit a new abstract" link.

Co-Authors

Track classification *

Topic : Detector

Please choose one or more Topic Item

Topic : System

Topic : Instrument

Topic : Electronics

Sub-Topic : PMT

Please choose one or more SUB-Topic Item

Sub-Topic : SiPM

Sub-Topic : MCP-PMT

Sub-Topic : Solid States

Sub-Topic : Gaseous

Sub-Topic : Hybrid Detectors

Sub-Topic : Polymer Photodetectors

Sub-Topic : New sensing media based detectors

Sub-Topic : Front-end electronics (analogue & digital)

Sub-Topic : Signal & Image processing

Sub-Topic : Fast timing technics

Sub-Topic : Cryogenic photodetectors

Sub-Topic : Others

Application : Astrophysics, Astronomy and Cosmology

Please choose one or more fields of application

Application : Medical

Application : Biology instruments

Application : Nuclear and High Energy Physics

Application : Industrial applications

Application : Other emerging fields

Fifth International Conference on
« New Developments in Photo detection »

--- EXTRA NEEDS – MANDATORY ---

5. Short Notice

We need you to send to us a **short notice** (abstract summary) to help for the abstract selection by the referees.

It should be 1-2 pages long, in pdf format.

Send it to: ndip-abstracts@in2p3.fr

That's all !!!

Thank's reading the notice up to the end.

See you soon at NDIP11
